Teaching Assistant

Are you passionate about education? Be part of a team that utilizes technology to transform the way students learn a new language or discover their passion for STEAM. There is no better place to make an impact – join U+ today!

About U+ Education:

U+ Education is a global, innovation–driven educational technology company dedicated to the long–term success of our students. We connect highly qualified Canadian teachers with students worldwide for interactive immersion learning in English, French, Spanish, Mandarin, Cantonese, Korean, and Japanese. Beyond language programs, U+ Education has expanded its offerings to include STEAM programs, which encompass coding and various camp programs to cater to a broad spectrum of students. With this expansion, we are eager to collaborate with talents from various disciplines to foster growth and development within the U+ community.

About this opportunity:

As a Teaching Assistant, you will be mainly contributing to improve the U+ educational curriculum while creating and delivering classes to our students.

Key responsibilities are as follows:
- Creating and publishing original, high–quality class content (e.g., lesson slides, language storybooks, and workbooks).
- Planning curriculums for math camps, French camps, or STEAM camps.
- Working in various sectors of the company! Majority of the time will be spent on teaching but candidates are expected to take on tasks related to other fields (such as business development and marketing) to gain a variety of experiences.

A great candidate for this position will possess the following:
- Excellent verbal communication skills.
- Dedication and passion towards teaching and language education.
- Proficiency in Canva and Google Sheets, as well as other Google applications
- (Prior experience creating lesson plans and teaching or working with children is an asset.)

You will be asked to work from our Markham office (4–205 Torbay Road, Markham, ON) or at a camp location in Markham, Richmond Hill, or Toronto.
