

## Teaching Assistant

Are you passionate about education? Be part of a team that utilizes technology to transform the way students learn a new language or discover their passion for STEAM. There is no better place to make an impact – join U+ today!

### **About U+ Education:**

U+ Education is a global, innovation-driven educational technology company dedicated to the long-term success of our students. We connect highly qualified Canadian teachers with students worldwide for interactive immersion learning in English, French, Spanish, Mandarin, Cantonese, Korean, and Japanese. Beyond language programs, U+ Education has expanded its offerings to include STEAM programs, which encompass coding and various camp programs to cater to a broad spectrum of students. With this expansion, we are eager to collaborate with talents from various disciplines to foster growth and development within the U+ community.

### **About this opportunity:**

As a Teaching Assistant, you will be mainly contributing to improving the U+ educational curriculum while creating and delivering classes to our students.

Key responsibilities are as follows:

- Teaching classes of various group sizes in-person or virtually while maintaining student discipline and ensuring a positive learning experience.
- Creating and publishing original, high-quality classroom content and learning materials such as language storybooks, interactive class slides, and STEAM workbooks.

- Organizing, coordinating, and implementing camp curriculum activities while maintaining constant supervision of and emotional support for campers.
- Maintaining records of student attendance, participation, and performance.
- Ensuring student compliance with all classroom/camp policies and procedures and managing disciplinary issues and conflicts that may arise.
- Working in various sectors of the company! Majority of the time will be spent on teaching but candidates are expected to take on tasks related to other fields (such as business development and marketing) to gain a variety of experiences.

A great candidate for this position will possess the following:

- Excellent written and verbal communication skills and ability to maintain positive stakeholder relationships with community partners, parents, and students.
- Dedication and passion towards teaching and education.
- Proficiency in using Google applications and Canva to design learning content and materials with an attention to detail.
- Ability to motivate students to learn and grow academically and personally.
- Patience, empathy, and excellent interpersonal skills.
- Ability to work independently and collaborate with coworkers.
- (At least 1 year of prior experience in working with and teaching children is an asset.)

First Aid + CPR-C certification is required for successful candidates. This can be obtained after co-op employment is secured.

This is a flexible job position where you have the option of hybrid working or working fully in person.
